

AGRICULTURE SERVICES BOARD FARM FAMILY AWARD NOMINATIONS

Farm Family Awards recognize the families who best represent the values of the farm family within our communities. The Agriculture Services Board invites individuals, agricultural societies, and community groups to submit names of farm families for consideration as Woodlands County's 2010 nomination for the Farm Family Awards, presented by Alberta Motor Association.

Please include a detailed resume outlining the farming business practices and community involvement of your nominated family, as well as the length of time involved farming in the community, the size and type of farm enterprise with your nomination. The Agriculture Services Board will select one farm family from among those nominations received to represent Woodlands County as their nomination for the 2010 Farm Family Award.

The recipients of the 2010 Farm Family Award will be hosted at a gala dinner at Northlands Park during Farmfair International.

Nomination deadline is 12:00 noon, Friday, April 16, 2010
